

Analysis of 2020-2021 Student Learning Loss

February 15, 2021 Curriculum Committee

Screening/ Data Collection:

Types of Assessments	
iReady Benchmarks- Math and ELA	Adaptive assessments grades k-8
Start Strong Assessment- Math, ELA, Science	Reflective of previous year's standards created by Pearson
Running Records- Primary and Elementary ELA classes	Teacher and student one on one reading assessment
STAR Test- Reading	Computer based assessment used to level readers

Data Analysis

Results of Start Strong Assessment	Mrs. Vansickle is creating spreadsheets and sharing with teachers and administration - Limited access to Pearson website for results
iReady Benchmarks	Indicators used for recommendations for RTI and/or I&RS
STAR Reading	Indicators used for recommendations for RTI and/or I&RS

Interventions

RTI	
Tier 2	Small group instruction - fully remote schedule v in-person schedule Middle School - after school assistance
Tier 3	Pull out RTI - On days when remote - 4 days/week schedule being created
At Risk Students- Primarily Middle School	MP 1 work sessions with Mrs. Stiles Continued progress monitoring for students who earned D or lower with Mrs. Stiles

Plans for 2021-2022

Fully embed a positive culture of assessment

Work with coaches on calendar of benchmark assessments prior to September

Set specific dates for data analysis and plans for interventions

Track student and grade level progress to plan future adjustments to curriculum and pacing guide as needed

Professional development on Tier 2 strategies for teachers specific to Phonics in grades k-2 and special education

Curriculum Writing and NJSLS updates

- World Language completing curriculum writing and updating with the TDC
- Art and Theater Arts set to work with TDC followed by future work in Health & PE
- Science curriculum work amongst k-8 teachers through PAC meetings
- Social Studies curriculum support with purchase of TCI materials for K-4
 - Curriculum work for 2022 NJSLS implementation
