The School District will be billed for Therapist time within the School District. The School District will be billed for the therapist's time coordinating scheduling prior to the start of school. The School District is billed for one fifteen-minute break (.25) for every three hours worked, not to exceed (.5) per day. A minimum charge for services at a single location will be .5 hours more than the treatment time. The minimum charge will be no less than 1 hour at a single location for a single student. School districts are liable for payment of time scheduled, whether or not therapist services are performed, unless failure to perform such services shall result from cancellation of school or on account of therapist's absence. The school district will provide equipment and supplies necessary to the provision of services rendered as determined by therapist.

"Services" includes, but is not limited to, student contact time, consultation with district staff and delegates, report writing, and all other reasonable functions or tasks related to providing the service.

It is the responsibility of the client district to notify the WCSSSD if pre-approval is required for any and all time spent in excess of the agreed estimate.

Billing will be submitted on a monthly basis based for hours and dates worked within the district, as based on the service not to exceed the rate per hour listed above, plus 6 % administrative costs.
