Dear Parents and Guardians of the Green Township School District,

We are writing to share an important update regarding our COVID-19 protocols. On 2/7/22, Governor Murphy announced that the mask mandate in schools would expire as of 3/7/22. Please be advised that effective March 7, 2022 mask wearing will be optional throughout the school day for all students and staff at the Green Hills School. Students and staff who wish to continue to wear a mask will be supported in their choice to do so.

At this time, federal guidelines are requiring mask wearing on school buses. All students must remain masked on the way to and from school while riding the bus. Given that this is a federal requirement, we are not able to make a local decision regarding mask wearing on buses.

Throughout the past two years, our school community has worked together to ensure the safety and well-being of our students and staff. We are proud of the way our community has pulled together to manage the challenges associated with this pandemic, and we appreciate your continued support.

Sincerely,

Jennifer Cenatiempo, Ed.D.
