June 7, 2023

Dear Parents and Guardians of the Green Township School District,

Due to the wildfires in Canada, we are currently experiencing a significant negative impact in our air quality. At this time, all outdoor activities have been paused until our air quality levels return to a safe range. There will be no outdoor recess or physical education classes while the poor air quality remains. A decision about field day will be shared as soon as possible.

Please know that our air handler filtration systems are all working and are keeping the building safe and comfortable for our students and staff. There are no visible signs of the outdoor air quality issues within the building at this time. Rest assured, we will be keeping a close watch on all students, especially those with known respiratory concerns throughout this time to ensure everyone's well-being.

Please feel free to contact me with any questions or concerns.

Sincerely,
Jennifer Cenatiempo, Ed.D.
