## Reminder - District Wellness Committee Meeting Tonight!

October 18, 2023

Dear Parents and Guardians,

The Green Township School District values the partnership between the home and the school! We are thrilled to be able to offer the following parent engagement activities to our school community. All parents are invited to be a part of various advisory committees including the District Wellness Committee, Parent Advisory Committee, and Farm to School Initiative Committee.

The District Wellness Committee will focus on supporting the overall well-being of our students and staff including nutrition, physical and social-emotional well-being, and making our school a safe and supportive space for all students and staff.

The Parent Advisory Committee will focus on ensuring equity for all learners and engaging in discussion about how to make our school community a safe and inclusive environment for every student.

The Farm to School Initiative Committee will work to promote our farm to school plans including gardening experiences with our students and planning events throughout the year to highlight farm to school opportunities for our students and staff.

The meetings will be held on the following dates and times in person in the library. Please park behind the building to enter via the library doors for these parent engagement sessions.
