

HIB Self-Assessment

Green Hills School

2022-2023

The Self-Assessment is for
the 2022-2023 School Year

(dated 7/1/22 - 6/30/23)

Green Hills earned 75/78
points

Eight core elements with indicators

For example:

Core Element #4: Curriculum and Instruction on HIB and Related Information and Skills

Indicator A: The school provided ongoing, age-appropriate instruction on preventing HIB in accordance with the NJ Student Learning Standards

Grading Scale:

0 points – Does not meet requirements

1 point – Partially meets requirements

2 points – Meets all requirements

3 points – Exceeds requirements

Exceeded requirements:

- HIB Programs
- HIB Training
- Curriculum & Instruction
- Incident Reporting Procedures (school)
- Investigation Procedures
- HIB Reporting (staff)

Met requirements:

- School safety team documentation that the practices, programs, or approaches have improved school climate
- Data used to assess and track the effectiveness of HIB programs
