Re: Estimated Number of Tuition Students 2019-2020 School Year

Dear Ken:

As required by N.J.A.C. Title 6A:23-3.1 f4, please accept this correspondence as the district's projected enrollment of Green students attending Newton High School for the 2019/2020 school year.

Based on the available information, including the district's October 15th ASSA count, as of this date, the following numbers of Green students are projected to attend Newton High School in September 2019:

9th Grade = 45 full-time students (43 & 2: 2 spec ed and 0 MD)
10th Grade = 59 full-time students (55 & 4: 4 spec ed and 0 MD)
11th Grade = 36 full-time students (32 & 4: 3 spec ed and 1 MD)
12th Grade = 62 full-time students (56 & 6: 4 spec ed and 2 MD)

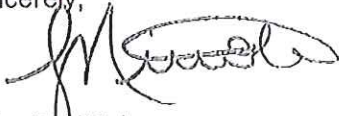

Special Education = 16 full-time students already included in total (two 9th grade students, four 10th grade, three 11th grade and one MD, four 12th grade and two MD students)

Projected TOTAL = 202 full-time students (Reg. Ed: 186, Special Ed: 13 + MD: 3)

The above projection is calculated using our guidance department's information reflecting students applying to Sussex Tech, School Choice High Schools, Pope John and other private institutions.

Should you have any questions or require additional information, please contact me at your convenience.

Sincerely,

John Z. Nittolo
Superintendent
