April 29, 2022

Dear Green Hills Parents/Guardians,

I want to first congratulate the cast and crew of Aladdin on a wonderful opening performance last night! Tonight, Friday April 29th, is the final performance. Please come support the incredible efforts and talents of our students. Also, special thanks to Ms. Minervini and Mrs. McKeown as directors and Mr. Wynne for sharing his talents with the set design. There are so many other volunteers to thank that contributed to the success of the theater program at Green Hills. It truly is a community effort that directly impacts our students in a positive way!

Next week is the start of the New Jersey Student Learning Assessments (NJSLA). Students in 5th and 8th grade will take the science assessments on Wednesday May 4th and Thursday May 5th. Parents, please remind students to have fully charged chromebooks and a good night's rest before coming in each day. As a reminder the NJSLA Mathematics testing will take place May 11-13 and the Language Arts testing will be administered May 16-18. The mathematics and language arts tests will be completed by all students in grades 3-8.

Monday marks the first school day in May and the schedule is jam packed with exciting activities throughout the month. There are class trips and assemblies, Student Marketplace, the Art Show, and Spring Concert! It is going to be a fantastic month leading up to Memorial Day and the home stretch of the 2021-2022 school year!

I hope you all have a wonderful weekend and look forward to seeing many of you at tonight's performance of Aladdin.

Sincerely,

Jon Paul Bollette

Principal/Coordinator of Instruction
